Hi Mark,
There is a link to the action memo on our site at:

<http://www.epa.gov/aboutepa/states/pa.html>

I am not sure what you mean by the toxic memo but if it is the ATSDR memo, there is a link to it right below the one for the action memo. If what you need is something else, please let me know.

Michael - I was given your action memo and the toxic memo for your actions in Dimock. Can I confirm with you that I have the authentic memos? Are they published somewhere? Thanks, Mark 202 624 1964
